Dear Mr. Williams,

I am writing to express my interest in an ELAR position at Ojeda Middle School. I am experienced in working with middle school aged students, as well as certified in English, Language Arts, and Reading for 4th-8th grade. I am extremely experienced in working with students in Language arts classrooms; I have spent the entirety of my internship hours in middle school Language Arts classes, as well as tutoring students of all ages outside of the classroom.

I know that I could be a valuable asset to you ELAR department at Ojeda Middle School. I am hard working, dependable, organized, and I strive to do the best that I can with every task that I take on. I am familiar with many of your students, as well as the culture of your school; I have worked in multiple Language Arts classrooms in the past year. I have experience working with student from all backgrounds and I am able to make connections to all students, no matter where they come from. I have spent much of my time working with students from lower socioeconomic backgrounds, and have found that I have a passion for working with, and making connections to students from this background.

Through the different experiences that I have had in working with students from different backgrounds, age groups, and in different school districts, I feel that I have gained and possess the knowledge needed to reach students from all places.

I feel that I would a positive impact, not only on your students, but on the staff and employees at Ojeda Middle School as well. The time that I have spent on your campus, has taught me so much about student-teacher interactions, and the academic achievement that comes from a strong learning community.

Thank you for your consideration, and I will be available for an interview at any time. I am able to start as soon as you need me, and please let me know if I can send any further materials.

Sincerely yours,

Courtney D. Nuckols
