

How often Should You Study For A Test/Quiz?

How important is this to your grade?

Not important at all

Kind of important

Will fail course if you fail the test

You don't need to study

How well do you know the information you're being tested on?

Is it a quiz or a test?

Only from the previous class

very well

Test

Quiz

A couple of hours

About 2-3 weeks in advance

A couple of days
